Directed by Gurinder Chadha, PARTITION: 1947 tells us the untold story behind Partition.

After 300 years, the rule was coming to an end. The rule of the British!! For six months in 1947, Lord Mountbatten assumed the post of the last Viceroy, with a responsibility of handing India back to its people. Viceroy's House (now Rashtrapati Bhavan) in Delhi was the home of the British rulers till then.

As the political elite - Nehru, Jinnah and Gandhi - converged on the House to wrangle over the independence of India, a conflict erupted. A decision was to be taken to divide the country and thus emerged a conspiracy & a love story followed by untold events between our Indian political leaders and the British Raj driven by political duplicity.

Discover hidden facts & unmask the biggest conspiracy in the History of India.
